Dear Classmates and Friends,

As 2014 begins to unfold, we are in the fiftieth year since our graduation from Harvard and Radcliffe. **Our Fiftieth Reunion will take place from May 25 to May 29 this year.**

Much has changed in our lives, in the world we live in, and at Harvard as well. But the core principles of the greatest university in the world endure. Come help us celebrate all that as we renew old acquaintances and make new ones, experience the intellectual stimulation of our alma mater, and share our experiences and insights with one another.

We are planning meals together, a Class Revue looking back to performances when we were in school, stimulating symposia, a series of TED Talk–style presentations by classmates, the traditional trip to the Pops, a dinner dance, and participation in Commencement. Your committee has worked hard to put together a full schedule, with plenty of time to just catch up with classmates and those with whom we shared activities.

Don't miss it!

We encourage you to **buy the full package** so you can enjoy as much of Reunion as possible. You can register by returning the enclosed form or going online to our registration site, which you can access from our class website, www.hr1964.org. Because for some the cost may be prohibitive at this time, confidential financial assistance is available. To request assistance, use the procedure described under "Financial Assistance" on page 8 of this Registration Guide.

Please remember to bring an umbrella. If we all do, this will surely scare away any threat of rain!

If you have any questions, feel free to contact the Harvard Alumni Association at 617-496-7001 or 50thReunion_HAA@harvard.edu. Also, feel free to contact your reunion co-chairs by emailing reunion@hr1964.org.

We look forward to receiving your registration and seeing you in May.

Best regards,

Harriet Todd and Tom Brome

ACCOMMODATIONS

UNIVERSITY HOUSING

We encourage you to take advantage of University housing during Reunion. The increased opportunities to renew old friendships and begin new relationships add another level of richness to the reunion experience. Please note that registration, including housing requests, must be received by May 16.

Arrangements have been made for commuters who want to rest, freshen up, or change clothes. Inquire at headquarters.

The Fiftieth Reunion is accommodated in first- or second-floor rooms only, unless an elevator is present. Even first-floor rooms may involve as many as seven or eight stairs. While Quincy House will be the location of headquarters, it will be one of many facilities used for Reunion. Fiftieth Reunion participants will be staying in Adams, Dunster, Eliot, Kirkland, Leverett, Lowell, Mather, Winthrop, and Quincy Houses. Each House has its own advantages of location and comfort.

Please bear in mind that while the rooms are quaint and historic, they have relatively modest conveniences. You will have your own bedroom, but you may share a suite and bathroom with another individual or couple. Each registered guest will receive a towel, soap, sheets, blankets, and a pillow. Harvard Student Agencies provides reunion guests with additional services, which you may arrange with them directly by emailing summer@hsa.net or by calling 617-496-3412; for more information, visit reunions.hsa.net.

ROOM REQUESTS

Please indicate on your registration form any request for a particular classmate, couple, room, or House. We will do our best to accommodate your preference, but please understand that we are unable to guarantee specific requests until you check in at Reunion.

SHARING A SUITE

If you are attending Reunion as a single classmate or as a couple, it may be necessary for you to share a suite with another classmate or couple. If there is a classmate or couple with whom you would like to be housed, please include that preference on your registration form, and we will do our best to arrange it.

OPTIONAL HOTEL INFORMATION

Although economic and social factors are likely to make on-campus housing the most attractive option, we have reserved a limited number of hotel rooms at favorable rates. Should you wish to arrange hotel accommodations independently, participating hotels and their rates are listed on page 7. Other hotels are available in the area, but group blocks have not been arranged. All blocked rates are available for a limited number of rooms the nights of May 25–29 and are valid until the block is filled or until the indicated cut-off date, whichever comes first. All rates quoted are for single or double occupancy and are exclusive of local and state taxes. To receive these rates, request the Harvard and Radcliffe Class of 1964 group rate.

ARRIVAL AND PARKING

If you arrive by car, please go directly to the Soldiers Field Park Garage in the Harvard Business School parking area, 107 Western Avenue, Boston. You will not be able to park—or unload luggage—at headquarters. Unload your bags with the student bellhops before entering the garage, park and lock your car, and take the shuttle to Quincy House. If you arrive and no shuttle is present, the 24-hour parking attendant will call headquarters to send a van to assist you. Parking for commuters will be available at the Soldiers Field Park Garage for the duration of Reunion; shuttle and van service will be available when headquarters is open.

If you are traveling from the airport or train station, you can take a taxi directly to headquarters at Quincy House, 58 Plympton Street. Expect at least a 30-minute ride from the airport. Alternatively, you can ride the MBTA subway to the Harvard Square stop. Quincy House is a short walk from there.

Student bellhops will be available at Quincy House to assist you and carry your luggage to your assigned room.

To view an interactive map of campus locations, please visit map.harvard.edu.

DEPARTURE AND CHECKOUT

All rooms must be vacated by 9:00 AM on Friday, May 30. Please note that headquarters will close at that time. Please make appropriate arrangements for your departure. For those attending Radcliffe Day activities on May 30, it is recommended that you retrieve your car and relocate it to appropriate parking provided by the Radcliffe Institute for Advanced Study. Reunion shuttle service will conclude at 9:00 AM on May 30.

PACKING AND ATTIRE

PACKING

If you are staying in University housing, your room will be equipped with linens, pillows, towels, a bath mat, soap, and lightweight blankets. You may wish to bring an alarm clock, radio, flip-flops, extension cord, or hair dryer. There are on-campus dial telephones in the dorm rooms, but we suggest you bring a cell phone. If you include your cell phone number on the registration form, it will be printed in the attendee directory for your classmates to connect with you while in Cambridge.

For your convenience, arrangements can be made with Harvard Student Agencies (HSA) to rent refrigerators, fans, and other items. More information is available at reunions.hsa.net. The items you rent will be delivered to your assigned room by HSA.

ATTIRE

There is no formal dress code for any reunion event. Please remember that Cambridge weather in May runs the gamut from cool to hot. Be sure to bring comfortable, rainproof shoes and an umbrella. Business attire is in order for classmates attending the Memorial Service and Commencement Exercises. Evening events will be similarly formal. Other attire is at your discretion.

REGISTRATION AND FINANCIAL ASSISTANCE

REGISTRATION

Please sign up by submitting the enclosed form by mail with a check. You can also register online at www.hr1964.org with a credit card. The deadline to register for on-campus housing is May 16. Registrations submitted after May 1 are subject to a \$50 late fee.

TICKETS AND NAME BADGES

All tickets necessary for individual events will be issued to you upon check-in at headquarters. For events that are not individually ticketed, your name badge will serve as your ticket. Please wear your name badge throughout Reunion. Tickets are required for both the Morning Exercises and the Afternoon Program of Commencement and will be available on Wednesday and Thursday (May 28 and May 29) only. Tickets for the Morning Exercises are issued only to reunion alumni at headquarters. Space limitations in Tercentenary Theatre allow only alumni into the morning activities. Guests may view the Morning Exercises from the Science Center or Quincy House Junior Common Room. Guests are welcome to join alumni for the Afternoon Program. If your guest is an alumnus or alumna of a different class year, he or she may request tickets at annualmeeting.alumni.harvard.edu before arrival on campus. Only members of the Class of 1964 are eligible for Commencement tickets picked up at headquarters during Reunion.

REGISTRATION FEES

Please see the full array of pricing options included on the registration form and available at www.hr1964.org. The program committee has taken great care to offer the most flexible pricing structure while creating value for all

who attend Reunion. We hope you are able to find appropriate value in the package selections offered. All packages include reunion favors; access to parking, transportation, and printed guides; and the assistance of bellhops and other staff. Please note that support for the students who perform various duties during reunion week is greatly appreciated and may be given to the students in the form of gratuities. The pricing is set as indicated on the registration form; if you find the cost to be prohibitive, please refer to the section regarding financial assistance.

REFUNDS

Refunds of registration fees will be granted for requests made before 5:00 PM on May 16. Requests for refunds after May 16 will be granted on a case-by-case basis.

FINANCIAL ASSISTANCE

We hope everyone in the Class can attend Reunion. Because for some the cost may be prohibitive, confidential financial assistance is available. If you need financial assistance, please submit a written request for a waiver of fees, indicating the amount of assistance required, to Serghino Rene, 124 Mount Auburn Street, 6th Floor, Cambridge, MA 02138, or send an email to serghino_rene@harvard.edu by May 1.

ATTENDEE SERVICES

DISABILITIES AND CERTAIN MEDICAL CONDITIONS

To help make reunion attendance possible for those with disabilities or certain medical conditions, accommodations and services can be provided to those who make requests by 5:00 PM on May 1.

College Alumni Programs (CAP), in collaboration with University Disability Services, will make every effort to accommodate the needs of alumni. In order to ensure timely

accommodations, advanced planning is strongly encouraged. If you may need assistance because of a disability or medical condition, please contact the CAP office at 617-496-7001 or find a request form on the class website, www.hr1964.org. Additional accessibility-related information can be found at www.accessibility.harvard.edu.

REUNION HEADQUARTERS

The Fiftieth Reunion headquarters will be located in the Quincy House Junior Common Room (JCR). Quincy House is at 58 Plympton Street (diagonally across Mount Auburn Street from the Lampoon building).

Registration will begin at 10:00 AM on Monday, May 26. Early registration will be available on Sunday, May 25, from 4:00 to 10:00 PM for individuals traveling great distances to attend Reunion. When you arrive, our undergraduate staff will greet you and hand you your packet, which will include a Program Guide filled with useful information and the current schedule.

Headquarters is open each day from 8:00 AM until a half-hour after the final event of the day is over (roughly until midnight). Our student staff will be available to assist you and resolve any problems that may arise.

You can reach headquarters during Reunion by calling 617-495-7807 or 617-495-7808 (5-7807 or 5-7808 from an on-campus internal line). From your room on campus, you will be able to dial on-campus numbers only. We encourage you to bring a personal cell phone. If you include your cell phone number on the registration form, it will be printed in the attendee directory so your classmates may connect with you while in Cambridge.

PARKING AND TRANSPORTATION

Free parking is available throughout Reunion at the Soldiers Field Park Garage at 107 Western Avenue, Boston. Shuttle transportation will be available when headquarters is open.

Commuters and residents of University housing are encouraged to use the Soldiers Field Park Garage; commercial lots in Harvard Square are also available at regularly posted fees. We have arranged for a comprehensive shuttle bus schedule throughout reunion week to minimize the amount of walking required. In addition, vans driven by undergraduates are available for smaller trips around campus during the week. Wheelchair-accessible transportation is available on-call from headquarters at any time until a half-hour following the conclusion of the events each day.

LIBRARY AND MUSEUM PRIVILEGES

Alumni are eligible to receive a Widener Library Stacks Access Card without a fee. With this card, alumni are permitted to borrow books from Widener and most of the other Harvard College libraries any six days over a 12-month period. Reunion week is an ideal time to take advantage of this privilege. Obtain your Widener Library Stacks Access Card by visiting the Library Privileges Office in Widener Library.

In addition, you will be granted free admission to the Collection of Historical Scientific Instruments, the Harvard Museum of Natural History, and the Peabody Museum of Archaeology and Ethnology with your name badge during Reunion. See page 15 for additional museum and library information.

EXERCISE AND ATHLETICS

The Hemenway Gym, Malkin Athletic Center, and Blodgett Pool are available to alumni during Reunion. Please present your name badge for access. All athletic facilities and hours are listed at www.gocrimson.com. Additionally, the paths around the Charles River provide an excellent venue for a morning walk or jog. Classmates will be facilitating a Fun Run/Walk on Wednesday. The registration form asks for an indication of those who would be interested in golf or tennis. If there is enough interest, we will try to add one or both to our schedule.

INTERNET ACCESS

Harvard has an extensive network of wireless Internet access points in the residential Houses as well as locations throughout the Harvard Yard area. If you choose to bring your own wireless-enabled device, you will be able to access the wireless network.

Kiosk computers are available in the Science Center lobby throughout the day. Access instructions, including password and login information for the wireless network and semipublic computers, will be provided in the Program Guide you receive at check-in.

PHONE DIRECTORY AND MAIL

It is strongly recommended that you bring a cell phone with you. An attendee directory including classmate cell phone numbers received with registration will be included in your check-in packet distributed at headquarters. This will be useful to family or classmates attempting to reach you during Reunion. Please contact College Alumni Programs in advance of Reunion if you need to receive postal mail during Reunion.

FAX

Commercial fax services are available at Gnomon Copy, 1308 Massachusetts Avenue (617-491-1111, fax: 617-492-2223); FedEx Office, 1 Mifflin Place (617-497-0125, fax: 617-497-1334); and at other locations near Harvard Square. Headquarters will not be equipped with access to fax services directly.

SECURITY AND EMERGENCY PHONES

The Harvard University Police Department (HUPD) is an important resource if you are lost, locked out of your building, or in need of help of any kind. HUPD can be reached with any of the blue-lit emergency telephones in Harvard buildings and in public areas or by calling 617-495-1212 and should be the first contact for any on-campus incidents. Ask your bellhop to point out the nearest emergency telephone when you are escorted to your room. Your registration packet will have a room key and an electronic access card for access to your room. You should lock your room at all times. It is suggested that you leave your nonessential valuables at home.

MEDICAL SERVICES

Your reunion name badge is your identification for admission to the Harvard University Health Services clinic, Smith Campus Center (former Holyoke Center), 75 Mount Auburn Street (617-495-5711), on a fee-for-service basis. The clinic will provide medical services throughout reunion week from 8:00 AM until 5:00 PM each day.

REUNION PHOTOGRAPHS

The Class of 1964 has retained Panfoto to take several group photographs following the Memorial Service on Wednesday, May 28. Four photos will be taken: all attendees, classmates only, Harvard Class of 1964 alumni, and Radcliffe Class of 1964 alumnae. You can order prints directly from Panfoto during Reunion: contact them by phone at 781-788-9595 or visit www.panfoto.com. Orders of prints before Reunion will receive free shipping.

ADDITIONAL SCHEDULE INFORMATION

At headquarters, you will receive a Program Guide that will contain useful information, including a final schedule of events that may reflect minor changes from the information listed here.

A Note on House/Dorm and Affinity Tables

There will be tables at lunch on Tuesday with signs for Houses and dorms and on Wednesday with signs for affinity groups. Seating at these tables is neither mandatory nor exclusive, but they are provided for those who wish to easily find classmates who were in the same House or dorm, or in the same affinity groups. Classmates are invited to sit with anyone they wish, and at any table; these signs are intended only to serve as a beacon for finding classmates you may wish to meet up with.

You are urged to complete the line on the registration form indicating your House or dorm, and should you wish there to be a table for any affinity group, please indicate that on the form as well. This will give us guidance as to how many tables should have signs.

Class of 1964 Revue
